## ANOTHER BOOK, ANOTHER AUCTION

The Wonderful World of Watercolor artists were asked again this year by the Garden Party Committee to produce a book of original paintings for the auction May 14. This year's book is the Butterfly Book and will be sold at a fund raiser for the Fountain City Art Center.

Below is a sampling of the 34 entries. The book contains 30 paintings and the size is 8.5" x 11." It has its own handmade box with beautiful paper designs and an original watercolor on the top.
