## BUTTERFLY AUCTION SUCCESS—MORE PAINTINGS

May 14 began as another dreary day with showers. However, the Garden Party luncheon and auction cleared the sky with sun and a big crowd checking out the silent auction items and lining up for the buffet. The book came up about 5<sup>th</sup> in the live auction and there was instant interest and diligent bidding. The “Sold” gavel was \$700—the original paintings are gone. Book reprints are \$20 at FCAC.
